

PORT OF BARROW

NOTICE TO MARINERS No.18 of 2017

Lead In Jetty Construction Work

NOTICE IS HEREBY GIVEN that construction work is currently underway on the lead in jetty. This work is being conducted both from ashore and from vessels in the water. Until further notice the lead in jetty is out of use as a berth to all vessels.

Mariners are requested to navigate with particular caution and at slow speed, giving the lead in jetty area a wide berth at all times.

Further advice can be attained from 'Barrow Port Radio' on VHF Ch.12 at any time.

Upon completion of works and the reopening of the lead in jetty, a further notice to mariners will be issued.

Barrow LNtM 2017.16 Dredging Works is hereby cancelled.
