

## PORT OF BARROW

### NOTICE TO MARINERS No.05 of 2018

#### Various Aids to Navigation Lights Unreliable

**NOTICE IS HEREBY GIVEN** that due to low light levels and prolonged periods of darkness, various Aids to Navigation within the Barrow Approaches are currently dim or may be extinguished completely.

Mariners are therefore advised to navigate with extra caution until advised otherwise.

Please report any failures or observations to Barrow Port Radio VHF CH 12.
