NOTICE TO MARINERS

LOWESTOFT - INNER HARBOUR – SOUTH WEST APPROACH TO BRIDGE

Mariners and Port Users are advised that quayside repairs will be undertaken on the South West bridge channel from Monday 9th March to Saturday 14th March 2020.

Work will be undertaken using the vessel(s) 'Flying Hart' and 'Cargo of Dreams'.

Works will be suspended for large vessels transiting through bridge inbound and outbound. Small vessels should be able to transit the area during works.

All Mariners are requested to liaise with Port control if they wish to transit through the bridge channel and in all cases give the worksite a wide berth and pass at slow speed.

Please contact Lowestoft Port Control, VHF Ch 14, Tel. 01502 572286, if additional information is required.
