

# PORT OF SILLOTH NOTICE TO MARINERS NO. 01/2016

## Port of Silloth Breakwater – Wooden Dolphin and Navigation Lights Re-established

**NOTICE IS HEREBY GIVEN THAT**, the wooden structure, radar reflector and 'Two Vertical Fixed Green Navigation Lights' located at the end of the ports breakwater have now been re-established. Consequently the temporary single fixed green light fitted to the middle dolphin has now been removed.

The following Notice to Mariners are hereby cancelled:

*03/2014 - Wooden Dolphin & Lights (out of service)*

*06/2014 – Installation of Middle Dolphin Light (F.G.5m.2m)*

**Additionally**, Notice 03/2015 'New Dock Entrance - Installation of Navigation Lights' is considered sufficiently promulgated and now cancelled.

Capt E.H.Deeley - Harbour Master - Silloth Docks

25th January 2016
