

## NOTICE TO MARINERS

### **Lowestoft Southern Approaches – Exposed Subsea Cable Position**

UTC  BST

Mariners and Port-Users are advised that the single orange marker buoy deployed at a section of subsea cable off Pakefield detailed in the previous NTM No. 24-2022, has now been removed.

The subsea cable is still exposed along the route as shown in the below chart / table.

Fishing, dredging, anchoring and all other sea bed activities are prohibited 500m North and South of this line/route.

The guard vessels Shannon and CRC Loadstar are currently in the vicinity and are monitoring VHF ch 14 and 16.
