NOTICE TO MARINERS

LOWESTOFT INNER HARBOUR – OULTON RAIL SWING BRIDGE

Mariners and Port Users are advised that the use of the Oulton swing bridge (charted as Carlton swing bridge on BA1535) has been suspended due to repairs required. Therefore, no marine traffic can navigate the bridge if a bridge opening is required. Emergency works will be carried out on the Oulton Swing bridge by Network Rails contractor AmcoGiffen starting on Saturday 17th October and expected to complete Monday 2nd November.

Works will be carried out using a temporary floating access platform and the swing bridge will be swung out to allow access. Works are likely to cause a restricted waterway.
