

NOTICE TO MARINERS

Scientific Survey – River Orwell

UTC BST

Mariners are advised that a scientific survey will be undertaken on Saturday 6th November 2021 in the River Orwell. The survey will be carried out by 18m survey vessel 'Humber Guardian', callsign 2ENC3, and will involve use of trawl nets.

Mariners are requested to keep well clear of this vessel during the surveying work and particularly when engaged in trawling.

Divisional Harbour Master East Anglia

14 October 2021
