NOTICE TO MARINERS

Orwell Bridge Silt Trap Maintenance

Mariners and Port Users are advised that commencing on or about Monday 19th October 2020, maintenance will be carried out on the Orwell Bridge Silt traps.

A small barge 'Haven Seajack 2' will be in attendance with two work boats alongside piers 9 and 10 (Navigation Channel) in order to empty the silt traps. They will also be working at Pier 15 during High water (Outside Navigation Channel).

These works are scheduled to last approximately 3 days and will be carried out during daylight hours.

Please contact Orwell Navigation Service for latest information on VHF CH 68.

Harbour Master 12th October 2020
