

## NOTICE TO MARINERS

### Oceanographic Surveying

UTC ☒ BST ☐

Mariners are advised that Oceanographic surveys will be taking place.

These will be conducted at 2 locations within the River Orwell.

Location	Locations		Water Depth (mCD)
VM ADCP2	52° 00.47911' N	01° 11.70619' E	5.6
VM ADCP4	51° 59.36991' N	01° 16.05327' E	3.0

Spring surveys will take place between Monday 02 February to Friday 06 February 2026.

Neap surveys will take place on Tuesday 10 February to Saturday 15 February 2026.

Surveys will take place onboard Taska Marine Challis10

The craft will be on the location for a 13 hour period anchored, they will clear the main channel as required.

A listening watch will be maintained on VHF CH68 at all times.

Mariners requiring more information should contact ONS on VHF CH68.

**Divisional Assistant Harbour Master East Anglia**

**30 January 2026**
