

NOTICE TO MARINERS

Restricted Lock operations – Lock Gate Repair

UTC BST

Mariners are advised that lock gate repairs will be commencing: -

Wednesday 4th September – Friday 6th September 2024

Diving works will be undertaken to repair and replace damage to the outer gates.

During this period lock operations will be extremely limited to: -

Freeflow timings on the day subject to tidal cuts.

Evening lock in and outs may be available on a case-by-case basis dependant on the progress of the diving works.

Timings for these cannot be promulgated in advance due to the nature of the works being undertaken.

Please be aware if you depart on Freeflow, lock ins cannot be guaranteed.

Mariners are advised to listen for a VHF broadcast on VHF CH68 in case any locks become available.

The lock will remain closed overnight other than Freeflow times.

Wednesday HW- 1350
Thursday HW – 0214 & 1421
Friday HW- 0243 & 1448

(Freeflow if achieved, is normally a maximum of an hour before High Water, ceasing at HW.)
