

NOTICE TO MARINERS

Ipswich Lock – Control updates

UTC BST

Mariners are advised that Ipswich Lock control will be undergoing a software update on Tuesday 23rd and Wednesday 24th November 2021.

There may be some disruption to normal operations, which will be kept to the minimum possible. We do not anticipate a full lock closure will be required but ask that mariners contact the lock in good time before arrival at the lock gates.

Please contact Orwell Navigation Service, VHF Ch. 68 or 01473 211066 for the latest information.

This notice self-cancels at 18:00 on 24/11/21.

Divisional Harbour Master East Anglia

19 November 2021
