

PORT OF BARROW

NOTICE TO MARINERS No.23 of 2025

Starboard Buoy Adrift

NOTICE IS HEREBY GIVEN that a Starboard Buoy has been reported adrift North of Halfway Shoal Beacon and West of Outer Bar Buoy.

Mariners are therefore requested to navigate with extreme caution in the Barrow Outer Channel until such time as the buoy is recovered.

Mariners are advised to keep a good lookout and make use of the other aids to navigation.

A further notice will be issued once the buoy has been recovered.

Further information can be obtained from "Barrow Port Radio" on VHF Channel 12.
