

NOTICE TO MARINERS
**Lowestoft Outer Harbour and Approaches – Plough Dredging
and Survey Activities**

UTC BST

Mariners and Port Users are advised that maintenance dredging and survey operations are scheduled for Lowestoft Outer Harbour area and Port Approaches, details as follows:-

Plough Dredger 'UKD Seahorse'. Commencing work from 19th March. Duration of work approx. 4 days. Normal working hours 07:00hrs to 19:00hrs.

UKD Seahorse

Survey activities – currently scheduled for Friday 20th and Monday 23rd March. Vessel 'UKD Resolution' will undertake survey operations focussed on all dredge areas.

UKD Resolution

Timings are subject to weather and operational delays, so may change slightly.

Dredgers will display lights and shapes for dredging activities as prescribed in the International Regulations for Preventing Collisions at Sea.

During dredging and survey operations, all vessels will maintain a listening watch on VHF Ch 14. Vessel movements will be co-ordinated via Lowestoft Port Control.

Mariners are requested to afford dredging and survey activities a wide berth if practical and safe to do so, and to pass at slow speed.

Please contact Lowestoft Port Control, VHF Ch14, Tel. 01502 572286 (Option 3) if further information is required.

Divisional Harbour Master East Anglia
