

# PORT OF SILLOTH NOTICE TO MARINERS NO. 02/2016

## SILLOTH (NEW DOCK) – MAXIMUM DRAFT CALCULATION

**NOTICE IS HEREBY GIVEN THAT**, a figure of **0.8m** should currently be subtracted from the height of High Water (above the sill) to obtain the maximum permissible draft.

The above figures are based upon the available depth in New Dock and an additional allowance may have to be made for unexpected shoaling at Marshall Dock entrance.

The following Notice to Mariners are hereby cancelled:

*02/2015 – Maximum Draft Calculation*

Capt E.H.Deeley - Harbour Master - Silloth Docks

7th March 2016
