

NOTICE TO MARINERS

Diving Operations Ipswich Lock

UTC BST

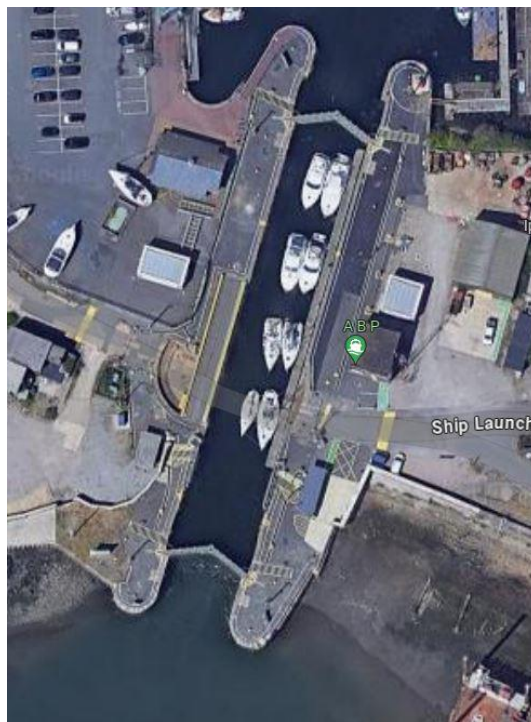

Red 7 divers will be undertaking diving inspections of the Ipswich Lock gates on: -

Thursday 22nd February.

This work will be undertaken between 0830 and 1630.

During this time the lock will be closed to all traffic, mariners wishing to transit the lock should do so before or after these times.

ONS will monitor VHF CH 68 at all times and can provide more detail as requested.

Divisional Assistant Harbour Master East Anglia

16 February 2024
