**No 38
2020**

NOTICE TO MARINERS

PONTOON INSTALLATION IN TRAWL DOCK AND ASSOCIATED VESSEL MOVEMENTS

Mariners and Port-Users are advised that commencing on or soon after 15th September, Piling and Pontoon Installation works will commence in the Trawl Dock, South West side, as an extension onto existing pontoons. Works will be conducted under Marine Licence L/2020/00263.

The works will be undertaken by Humber Workboats using vessel 'Rebecca M'. Mobilisation for these works will take place from the end of the Hamilton Peninsular.

The Rebecca M will be working during daylight hours only, with piling activities between 0900hrs and 1600hrs Monday to Friday. The vessel will monitor VHF Ch14 while operational, and Lowestoft port control will advise traffic of vessel movements/activities.

Vessels are requested to provide the Rebecca M a wide berth and pass at slow speed during mobilisation from Hamilton Peninsular, and for pontoon/piling operations in the Trawl Dock.

The duration of the works is not expected to exceed one week, but will be subject to weather and any operational delays.

Notification will be provided once the works have been completed.

Please contact Lowestoft Port Control, VHF Ch14, or Tel. 01502 572286, if further information is required.

Harbour Master

10th September 2020.
