2020**

NOTICE TO MARINERS

LAKE LOTHING – Mutford Lock Road Bridge – Maintenance Works

Mariners and Port-Users are advised that Maintenance Works are scheduled to be undertaken on Mutford Lock Road Bridge, commencing on or around the 10th February, lasting for approximately one week. The work will be undertaken between 08:00hrs and 17:00hrs daily.

During the period of work a Pontoon (2.5M x 3.5M) will be deployed to assist with the maintenance, which will obstruct the Navigation Channel. The Pontoon will be able to move if required, for a vessel that needs to pass under the Bridge to Mutford Lock. Prior agreement **MUST** be arranged with Oulton Broad Harbour Master's office, who will monitor VHF Ch73 for the duration of the work.

These works are dependent upon good weather & visibility, so timings and duration may vary.

Please contact Lowestoft Port Control, VHF Ch14, or Tel. 01502 572286, if further information is required.

Harbour Master

5th February 2020.
