

## PORT OF BARROW

### NOTICE TO MARINERS No.43 of 2019

#### Availability of Aids to Navigation

**NOTICE IS HEREBY GIVEN** that the following Aids to Navigation lights are either extinguished or liable to interruption. Mariners should therefore assume all of the following to be extinguished until notified otherwise:

**Outer Bar Buoy has been reported unlit.**

Mariners should also be aware of the following buoys are not in the correct position.

**SEA 2 Buoy is not on its correct station and should be deemed unreliable until further notice is issued.**

An update will be issued when the above are rectified.
