

NOTICE TO MARINERS

Lowestoft Inner Harbour – Oulton Rail Swing Bridge maintenance

UTC BST

Mariners and Port Users are advised that there are planned works and a survey taking place on Oulton swing bridge (charted as Carlton swing bridge on BA1535). Works will be carried out on the Oulton Swing bridge by Network Rails contractor AmcoGiffen and will be starting on Friday 8th January through to Monday 11th January 2021.

Works will be carried out using a temporary floating access platform. Works are likely to cause a restricted waterway.

Divisional Harbour Master East Anglia

07 January 2021
